## FOREWORD

"At first the pages of the book  
Are blank and purely fair.  
But time soon writeth memories  
And painteth pictures there."

. . . And so we, the GRADATIM staff, purpose to fill these pages with  
memories as seen through the eyes of a Sacred Heart girl and as recorded  
in her diary . . .

## DEDICATION

To Sister Mary Teresa, whose unselfishness, kindness, and understanding have always been a source of inspiration to us, we, the Graduating Classes of Sacred Heart Junior College and Academy, gratefully dedicate this volume, our 1952 GRADATIM.

## EDUCATED NOW?

To be sure you are, with a prized diploma to show for it! Congratulations on all those tests you've successfully passed.

Now life is going to give you the supreme test of **thinking for yourself**. You'll hear that the political planners can manage everything for you, and give you a "secure" life. If you think that one through clearly, you will see that the most secure people you could find are the ones in jail.

You'll probably hear more about your "rights" than you do about your responsibility. Yet your teachers have warned you that **every right carries with it an obligation equal or greater.**
